THE PRESIDENT'S CORNER

* * * * *

As I sit here looking over the calendar of events for this year, I think of the fun we are going to have. Seeing friends, talking Metropolitans, a few good dinners. If you have not attended an Illini Met Chapter Event yet, you are missing some wonderful people and a really good time.

Looking back, the British Swap meet was fun. I just need to remember to go without my billfold next year. To many neat things screaming "buy me". An N.O.S. Cylinder Head still in the original shipping box, when was the last one of those you seen? Several of the Illini Met members attended and I think we all left with something.

The March Membership meeting had a good turnout. We even had some members from Springfield attend. Thanks for making the long drive Bob & Pat. It's always good to see old friends. Wait, that doesn't sound right..... well, you know what I mean. We had members from Iowa, Illinois and Indiana there. So, for those who live in the Chicago suburbs, and you feel it's far to drive, hmmm.

Chicken Run is coming up next. I missed it last year, but won't this year. Even if you drive your everyday car, or your Sunday best, it will be a good time. You CAN'T miss the Tech Session at Larry Claypool's shop. Just looking at Larry's collection of cars is worth the drive. Ya gotta be there!

This year is Illini Mets 25th Anniversary. We are looking at having a picnic in Central Illinois someplace. Karen St.Clair will announce location soon. For all the long time members, please attend and bring the old photographs. This will be a very special picnic, a chance to see some old friends. If anybody needs a ride, please let another member or one of the officers know. We would like to see a HUGE turnout.

Get the cars out of storage, get them tuned up, and drive them. Need some work done? Bring it to the Tech Session. Need it trailered? Give me a call

Gonna be a busy year.

Gary Bosselman

President Illini Mets

MINUTES
ILLINI METS CHAPTER
MARCH 6, 2004

The 1st membership meeting of the year was held on Saturday, March 6, 2004, at the Oakfield Family Restaurant in Winfield, IL. Those members present were Gary Bosselman, Mike & Laila Potts, Ric Diehl, Bob & Marge Greenlee, Jim & Fran Hill, Gail & Bob Brandys, Ema McDuffee, Pat & Bob Dennison, & Lowell & Karen St Clair.

President Gary Bosselman welcomed everyone to the meeting. Gary introduced one of our newest members, Ric Diehl, to the club.

Secretary Karen St.Clair gave an update on our club membership. The club has close to 90 members but usually only sees a fraction of them at events. We do have a strong base of around 10-20 members that do participate in the events for the year. Karen also gave the Treasury report.

A drawing was held for the **FREE LUNCH** and **Fran Hill** was the winner.

Concerning Old Business:

Gary thanked everyone for coming to the 2003 Xmas party that was held in South Beloit, Illinois at the Ramada Inn. Thanks go to **Rosey Bosselman** for organizing the whole event. Our 2004 Xmas party will be held December 4th at the Greenlee's with the Potts' assistance.

The January Executive Board meeting was held at Culvers Restaurant in Peru, Illinois, on January 18th. The Schedule of Events was discussed and the following events for members to attend are planned for 2004.

April 26, 2004	Chicken Run at Greenlees/Route 66 - Rain date: May 2nd
May 15, 2004	Tech Session at Claypool's Garage, Frankfort

November 6, 2004	Membership Meeting/ Winfield, IL
Dec. 4, 2004	Xmas Party at the Greenlee's/ Naperville, IL

Concerning New Business:

A motion was made & 2nd to donate \$100 to the Central Regional Meet to help defray expenses of the meet. Karen will send the check with a letter to the host chapter from Minnesota. Several members discussed making up some METROBILLA Baskets to donate from our chapter, too, for the Chinese Auction.

Gary mentioned that the museum in Kenosha, Wisconsin is looking for a '54 Hudson Met to display. Any one having or wanting to display their '54 Hudson Met should contact him.

Bob Greenlee has happened upon a source for Master Brake or Clutch Cylinders for an unbelievable price. Contact Bob or Gary Bosselman if interested.

Karen has contacted the company that made up our club polo shirts about adding the 25th Anniversary script to our logo. The price is still the same as the regular shirts and an order blank will be in the next Newsletter if anyone is interested in getting one.

Gary is working on some new club stationery. Dick Bilek, longtime ILLINI METS member and designer of the club's original stationery, has generously loaned the club his original photo in order to get more stationery made up.

There was no further business for discussion so the meeting was adjourned.

Respectfully Submitted,
Karen St.Clair/ Secretary
