

THE ILLINI METS, THE ILLINOIS CHAPTER OF THE METROPOLITAN OWNERS CLUB OF NORTH AMERICA

*Be It Ever So Humble...*

### *President's Notes*

(This President's Note is out-of-date because I'm late getting this newsletter out. Sorry, everybody! —John Teschky, Newsletter Editor)

It's the first week of March and the weather is going to break soon (at least that's what the ground hog says). Daylight saving time kicks in on March 11<sup>th</sup> and with spring just a couple weeks away that means more time to start getting our Mets ready for the coming car season. A planning meeting was held on Feb. 25 and a lot of events are planned for our club. I hope to see a good turn out of Members at these events.

Preparations for the International Meet in Rockford are progressing nicely. There will be a lot of business to be covered at the membership meet on March 25, at the Oakfield family rest. This is also an election year for our officers.

If you need help with your Met, call us and we will get a group together to help get your met going. Let's have a good year with our Mets.

### *Metropolitan Owners Club of North America Elections*

PLEASE REMEMBER TO VOTE IN THE UPCOMING MOCNA ELECTIONS. YOUR VOTE DOES MAKE A DIFFERENCE. BALLOTS WILL BE ENCLOSED IN THE UPCOMING APRIL MET GAZETTE.

Thanks, Karen & Lowell

### *Replacing Met Floors*

On Sat., a tech session on replacing floor pans will be held at our house starting between 9:30 and 10:00 a.m. Everyone is welcome to attend. The pans are fitted and the metal is cleaned and ready to be welded. Those with welding experience especially welcome. R.S.V.P. if possible.

Thanks!
