MESSAGE FROM THE PRESIDENT

July 5th, 2011 members of the Illini Mets were saddened to learn of the passing of one of our founding members. Ken McDuffee died at the age of 91 on July 3rd, 2011 at Central DuPage Hospital in Winfield. Ken and his wife Etta were a driving force in the organizing of the Illini Mets club. Ken and Etta are the longest continuous active members of our club. Ken served as our first president from 1979 to 1980, then as vice-president from 1987 to 1989. Ken was raised on a farm in Illinois with 11 brothers and sisters. In 1942 at the age of 23 he supervised a crew of welders in the building of LST's (landing craft used in both the Atlantic and Pacific theaters of WW2). In 1944 he joined the Army and served in Europe under General George Patton and was honorably discharged in 1946. Marge and I first met Ken and Etta in 1996 at Gary and Rosie Bosselman's when we joined Illini Mets. Ken was wearing his trademark white military style Met shirt. He would wear these shirts to our club meeting and events. In life

Ken was a true gentleman and he will be greatly missed by all of us.

Robert Greenlee President,
Illini Mets.

Bob Greenlee, Pres.

MESSAGE FROM THE EDITOR

It was with shock that I had gotten the information that Ken McDuffee had passed away. He was one of the founding members of the Illini Mets and, in my mind, indestructible.

I will always remember him wearing his freshly started 'uniform' of his white Illini Met button down shirt with epaulets. He was always enthused to be at the membership meetings or any outings he attended. He will be sorely missed!
